SKYWEST PROPERTY MANAGEMENT

Is centrally located in Elk Grove and locally owned. Established in 2006, we serve a growing need for a professional property management company that specializes in both commercial and residential management.

We provide many services including: lease and contract signing, rent collection, maintenance management, payment of all property bills, resident assistance, and 24/7 availability. Our management fees range between 6-8% of the gross monthly rent. The actual monthly management fee is based on variables of services needed. Leasing fees are calculated separately from the monthly management fee.

Our Services and Fees
